About the TEAS Test There are a total of 170 questions on the TEAS exam; however twenty of them are unscored and used only by the test makers to gather information. That means 150 of the questions you answer will count toward your score. Scoring You cannot pass or fail the TEAS exam. Instead, you will receive a score report that details the number of questions you got right in each section and also gives your percentile rank, which shows how you did in comparison with other test takers. Each school has its own entrance requirements, so be sure to check the requirements of the institutions you want to attend, so you can set appropriate goals for yourself. About Trivium Test Prep Trivium Test Prep's study materials are created by industry and educational experts. Other TEAS exam prep study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium's TEAS exam book is different. Our dedicated professionals know how people think and learn,

and have created our TEAS test book based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our TEAS exam study guide are specifically tailored for your exact needs.
